## About This Game

Jakob, the oldest son of the Eilander family, is returning to Paradise island after his mother passed away. Since her mysterious death, the island seems to be cursed by the ten plagues. Find the mother's hidden memories and partake in strange family rituals in order to stop the plagues.

Rusty Lake Paradise is the third premium point-and-click adventure by Rusty Lake, the creators of the Cube Escape series, Rusty Lake Hotel & Rusty Lake: Roots.

### Key features:

- Pick-up-and-play: easy to start but hard to put down
- Unique storyline: the first adventure game based around the ten plagues of Egypt
- An unforgettable puzzle experience: each plague brings its own atmosphere, suspense and a variety of Rusty Lake brain teasers
- Atmospheric graphics: the pastel background paintings are handmade by Dutch painter Johan Scherft
- Immersive soundtrack: each plague has its own theme song and variations

- 
- Achievements: the island has more secrets to unravel

---

I've played every single rusty lake game and I would, probably say, this is the worst and most boring one among all rusty lake games. I feel like hotel and roots are much better.. i played paradox before this

and paradox is a way better game then this.

the puzzles are super easy

if you want to try this game get it on sale even thoe it is only 5 bucks
